

## **Business Ownership Workshop**

Wednesday, August 15 2012; Time 1:00pm – 3:00pm  
Wake Technical Community College

***For Veterans and Current Military Personnel  
And  
For Anyone Considering Business Ownership***

With its affordability, scalability and the need for operational execution, the franchise industry provides an ideal career path for military veterans considering business ownership.

And, with so many business concepts that require a diverse skill set, the franchise industry also provides an opportunity for anyone transitioning out of the corporate world to control their career by building a business.

***SEE WHY SO MANY ARE CHOOSING BUSINESS OWNERSHIP OVER THE CORPORATE WORLD.***

### **Join us to learn about:**

1. Entrepreneurship programs at Wake Tech.
2. Franchise ownership and why it makes sense for veterans and anyone else.
3. Support available for veterans considering starting a business.
4. Financing options

---

***If you are considering business ownership now  
or in the future - this workshop is for you.***
